# Core Advantages

---

## Technical Advantages

+15 years' experience in R&D of grease  
Practical application cases and test data in multiple industries  
National High-tech enterprise

## Quality Advantages

Import raw materials  
Japanese equipment and technology  
MES Production management system  
Quality system certificate

## Service Advantages

Develop new project fast  
Fully cooperation  
One by one Guide  
Customized lubrication solution

## Price Advantages

Directing sell  
Save costs

## Advantages of flexible cooperation

Fast delivery  
OEM package specification  
OEM filling  
Other special function product requirements
